HOW TO HAVE A \$1,000 PARTY!!!

SET YOUR GOAL AT \$1,000 IN PARTY SALES!

That's 10-12 people at the party and 12-14 outside orders

OVER INVITE!

Only about 1/3 of your friends will be able to make it, so invite everybody who is living breathing , and eats. A T upper-Connect party will help you save time too!

PERSONALLY CALL YOUR GUESTS TO INVITE THEM

Give your invitation list a quick 2 minute phone call letting them know about your party date!

Tease them a little about your theme and the recipe you have selected. It makes a difference!

Be sure to let them know we have New Products and sales specials! Ask them to bring a friend for a special gift!

PUT THE CATALOGS IN THE HANDS OF PEOPLE AND THEY WILL ORDER!

Give a catalog to your husband/roommate or anyone who works somewhere other than where you work. Many people have great success in sending/ taking a few books to school where your children attend.

SET A GOAL OF 12 GUESTS IN ATTENDANCE!

Give another quick call to invited guests a couple of days in advance of your party. Encourage each person to bring a friend that hasn't see a Tupperware party or catalog in the last 6 months

TRY TO COLLECT \$300 IN OUTSIDE SALES BEFORE YOUR PARTY!

It's not hard at all to do! Just a little work and a few phone calls will do the trick!

EXCITEMENT IS CONTAGIOUS!

I'm excited to be spending time with you and your friends to show you something really new, neat and exciting!

Remember I am only a phone call away!

It's SO easy to have a \$1,000 party!

Good Luck!
